

Kate.net Holiday Cupcake Toppers

Instructions: Print this page onto cardstock or regular paper, then cut out each circle with scissors or a 2" circle punch. Tape (the back of) each to a popsicle stick or toothpick, or for double-sided toppers, glue 2 together around a popsicle stick or toothpick using non-toxic glue or glue stick and allow to dry fully. Insert into cupcakes. Be sure to remove toppers before eating cupcakes and supervise young children around toothpicks and popsicle sticks.
